To Whom It May Concern:

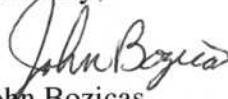

I am writing on behalf of Thomas Graham. My name is John Bozicas and I am the Special Education Educational Team Leader at Montachusett Regional Vocational Technical School in Fitchburg, MA. I have worked with Thomas for the past four years in numerous capacities. He was a student in my Academic Support class several years ago and I have worked with him on a regular basis in assisting him in gaining knowledge of his strengths and weaknesses. I am pleased to hear, and be a part of, his future endeavors to move on from high school and into college to pursue his dream.

Thomas is an extremely hard worker who takes pride in all endeavors he is a part of. He is strong willed and determined to succeed in everything he does. Each decision Thomas makes is based upon a clear thought process and his belief in what is right and wrong. He recognizes when to ask for help and utilize every resource that is made available to him. Understanding these things is no easy task, but Thomas works hard to be successful.

Thomas had the benefit of being a part of the Information Technology trade here at Monty Tech, which has given him another outlet to be successful. Whether it involves developing a new video game or working hard to earn the necessary certifications to continue to move forward, he strives to do his best in every situation. This speaks volumes about Thomas' capabilities and abilities to succeed in any field he chooses.

Thomas is a very accomplished young man. He has received an IC3 Digital Literacy Certification, a TestOut PCPro Certification, and his OSHA 10-Hour General Industry Course certification. He enjoys playing video games in his spare time and has recently attended Becker College's Video Game Summer Camp, at which he won the MVP award for 'student most dedicated to his project'. I am confident that Thomas will excel in any program that he chooses to partake in. He is dedicated, diligent, and focused on success. Please consider Thomas Graham for this wonderful opportunity. If you have any questions or concerns that I can assist you with please do not hesitate to contact me at any time.

Sincerely,

  
John Bozicas  
Educational Team Leader
